Customer Journey Map

The customer journey map illustrates the learning experience of a student using the Emotion Detection & Learning Support Engine. It highlights the learner's actions, thoughts, feelings, and opportunities for improvement at each stage of the journey.

Phase of Journey	Stage 1	Stage 2	Stage 3
Actions <i>What does the customer do?</i>	- Enters learning query - Describes study problem - Submits text	- Reviews detected emotion - Reads AI suggestions - Explores recommendations	- Follows study plan - Tracks improvement - Continues learning
Touchpoint <i>What part of the service do they interact with?</i>	- Streamlit Interface - Text Input Box - Submit Button	- Emotion Detection Model - Gemini AI Assistant - Response Screen	- My learning improved - AI is useful - Will use it again
Customer Thought <i>What is the customer thinking?</i>	- Need learning support - Hope AI understands me - Looking for guidance	- Emotion seems accurate - Suggestions are helpful - Feeling more confident	- My learning improved - AI is useful - Will use it again
Customer Feeling <i>What is the customer feeling?</i>	- Confused - Curious - Hopeful	- Relieved - Encouraged - Confident	- Motivated - Satisfied - Focused

Process Ownership <i>Who is in the lead on this?</i>	• Student	• AI Model • Gemini AI • System	• Student • AI Assistant • Student
Opportunities <i>How can we improve this stage?</i>	• Simple interface • Faster input • Better guidance	• Higher accuracy • Personalized feedback • Faster responses	• Progress reports • Study reminders • Performance insights
